

9M72,AUS=M 300 Bicycle jointed shackle lock with 3 joints

Padlocks and mobile locks

Bicycle locks

IKON also has the ideal solution when it comes to protecting bicycles and motorbikes. IKON shackle locks or cable locks provide a high level of locking security for bicycles - simply and conveniently. Whether ladies or gents bicycles, mountain or racing bikes - IKON has the appropriate lock, with or without mounting bracket.

Area of Application

IKON jointed shackle locks are mainly used to secure bicycles and motorbikes. Easy and quick handling, uncomplicated design and maximum security provided by a 12mm diameter shackle characterise this IKON shackle lock.
