

# 9M74 Steel cable without padlock

Padlocks and mobile locks

Bicycle locks

Without padlock

IKON also has the ideal solution when it comes to protecting bicycles and motorbikes. IKON shackle locks or cable locks provide a high level of locking security for bicycles - simply and conveniently. Whether ladies or gents bicycles, mountain or racing bikes - IKON has the appropriate lock, with or without mounting bracket.

#### Area of Application

IKON chains are used in conjunction with padlocks to secure bicycles and motorbikes. Easy and quick handling, uncomplicated design and maximum security characterise this IKON bicycle lock.
