

# 9M76, TEIL=BS KRALLFIX III Drilling template for IKON Krallfix® 3 door safety mechanism

Additional door locks and security devices

Hinge safety mechanism

IKON provides a wide range of accessories and spare parts. Please note that the overall quality of IKON products can only be guaranteed if suitable original parts are used.

#### Area of Application

The IKON Krallfix® 3 hinge safety mechanism is suitable as an additional safety mechanism on the hinge side of doors, UPVC, wood and aluminium single action windows and balcony doors. This hinge safety mechanism features simple installation and ease of handling and is particularly suitable for houses and apartments located on the ground floor.
