

ACUIX™ PTZ High Speed Dome System

Round-The-Clock Viewing That Never Blinks

Honeywell introduces the new ACUIX high-performance pan/tilt/zoom camera featuring exclusive Honeywell technology. Now customers can keep an eye on their businesses 24/7.

Intelligent Vision:

ACUIX is intelligent vision. Intelligent because its remote uploading capability makes the camera easier to use, install and maintain. Plus, ACUIX is future-proof by design, working seamlessly with all current and future Honeywell products — as well as competitive ones. Vision defines the function of round-the-clock remote viewing and forward-thinking design. The end result? Combined with lightning-quick pan and tilt speeds, the ACUIX dome lets customers respond to events faster while still being able to track slow-moving targets.

ACUIX Features:

- 18X, 26X and 35X WDR & TDN cameras with up to 530 TVL resolution
- 150 programmable preset positions, with a 24-character label
- 16 programmable preset tours, with 64 pre-programmed positions each
- 32 programmable and password protected Dynamic Privacy Zones
- 5 housings including 2 IP66, NEMA 4X outdoor versions
- ACUIX IP offers MPEG-4 compression and 25 fps at 4CIF, 2CIF, and CIF resolutions

CUSTOMER BENEFITS

- Save all camera configurations and settings to the head end system
- Remotely update camera firmware without interrupting camera service
- Easy installation with standard mounting systems and compatibility with existing ceiling mounting methods
- UTP ready with active output

ACUIX™ PTZ High Speed Dome System

Round-The-Clock Viewing That Never Blinks
