

P032,VAR2=2MM Half cylinder - system P0

Mechanical locking cylinders

Half cylinder

Locking cylinders form the core element of secure locking systems and represent IKON's core competency. The product range meets challenging security requirements with sophisticated solutions. High-quality IKON locking cylinders provide high protection against intruders. Standard equipment in this respect includes anti-drilling devices, security cards and panic functions. Patented profiles are a direct result of decades of experience gained in precision engineering and are effectively equipped against even the latest intrusion or burglary techniques. These features include innovative VECTOR profiles and the IKON reversible key profile WSW-W10.

Area of Application

Half cylinders are frequently used where doors and gates are only locked on one side (e.g. garage doors, cellar doors and tool sheds). They are however also used in lifts, alarm systems and other auxiliary security systems (e.g. lockable window handles).

P032,VAR2=2MM Half cylinder - system P0

Product description

- 5 pin tumblers
- Brass cylinder
- Standard finish, satin nickel-plated (OF=MV)
- Other surfaces: brass, mat brushed (OF=MG), polished brass (OF=MP)
- Basic cylinder length A (L=30) other installation lengths available
- The dimension from the middle of the cylinder fixing screw hole to the rear is 2mm shorter than the P032, cam radius 15mm
- Standard cam position (SST=8x45°) - reversible
- Other cam positions (SST=30°, 8x30°, 90-270, 270-90, 0-90, 180-90)
- Available for individual lockings and locking systems
- Drilling protection (AB=), additional lateral scanning, security card depending on profile (PR=)
- Key with square metal head
- Tapered cylinder core head with reinforced key guide
- Cam made of break and corrosion-resistant sinter metal
- Core pins made of special wear-resistant bronze
- Former BAB cylinder types .45

Accessories/Individual parts

- Cylinder fixing screw 1149

Compatible ASSA ABLOY products

- Maintenance spray 8511
- Door handle chain 174 9M34,AUS=PHZ VOR
- Lockable window handle 158 9M10,AUS=PHZ VOR

Scope of delivery

- 1 half cylinder
- 3 nickel silver keys
- 1 cylinder fixing screw M5 x 85mm
