

T400,AUS=247 Standard arm special version for T247

Door closers

Arm systems and sliding rails

IKON provides a wide range of accessories and spare parts. Please note that the overall quality of IKON products can only be ensured if suitable original components are used.

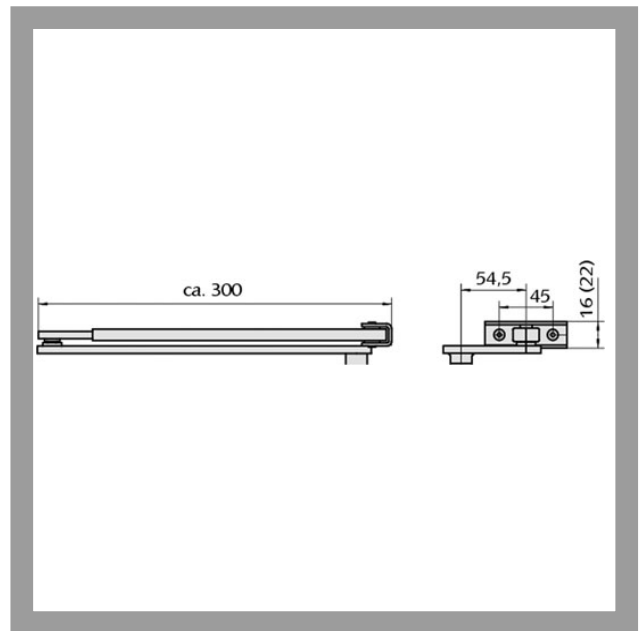

Area of Application

This special IKON arm is suitable for the IKON T247 door closer. It enables opening of the door up to 180°, depending on the installation position, door design and the mounting position of the door closer.
