

T450 Sliding rail

Door closers

Arm systems and sliding rails

IKON provides a wide range of accessories and spare parts. Please note that the overall quality of IKON products can only be ensured if suitable original components are used.

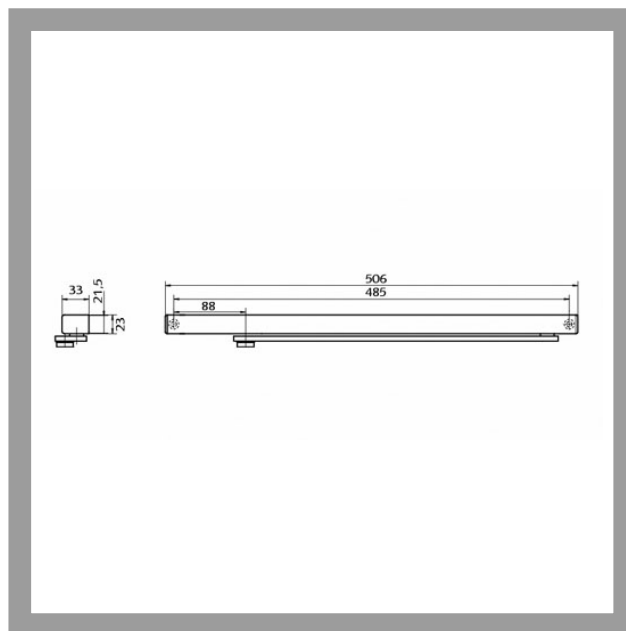

Area of Application

This IKON sliding rail is suitable for IKON T241, T243 and T250 door closers. The maximum door opening angle lies between 120° and 180°, depending on the door closer model and mounting method used.
